

INSPIRATION IMAGE ONLY

Chests of drawers

Features

- our chests of drawers are customisable and you can choose between different sizes, colours and leg designs
- enjoy our soft close system that comes as standard
- choice of handles for selected pieces

Designer

Morten Georgsen

Delivery

Our customisable chests of drawers are produced upon order. Please contact your [store](#) for more details.

Materials

- our board furniture is mainly made of MDF (medium density fibreboard). Particle board is primarily used for furniture with organic shapes
- our veneers have a coating of lacquer to make a more smooth and longlasting finish. The lacquers we use are mainly waterbased so they have a strictly limited impact on the environment

Care instructions

- wipe clean with a cloth dampened in a mild cleaner

Fermo chest, the product is available in different colours. Shown colour: charcoal grey lacquered/anthracite grey burnished steel. H127½xW77xD50cm. [Fermo - GA28] Article no.: 3670096GA287878

S\$ 2,195.00
