

EASY & QUICK INSTRUCTIONS FOR ASSEMBLING YOUR FRAME

PLEASE BE CAREFUL WHEN HANDLING END-EDGES OF THE FRAMES AS THEY ARE SHARP.
KEEP AWAY FROM CHILDREN & PETS.

THANK YOU FOR YOUR PURCHASE. WE'LL TRY TO MAKE THIS EASY FOR YOU.

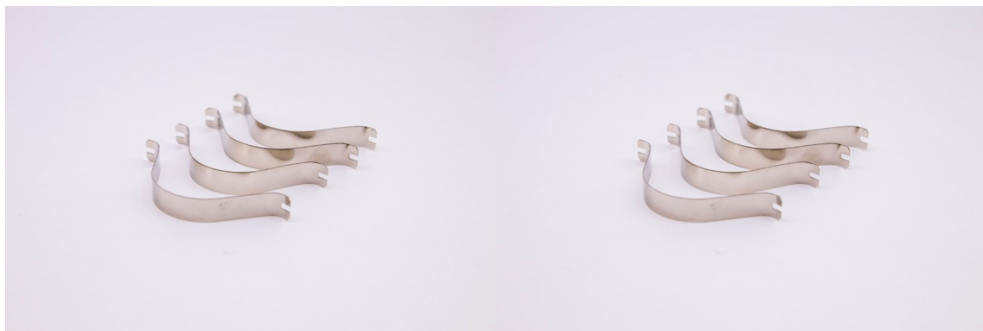

BELOW IS WHAT YOU SHOULD HAVE RECEIVED

CODE B

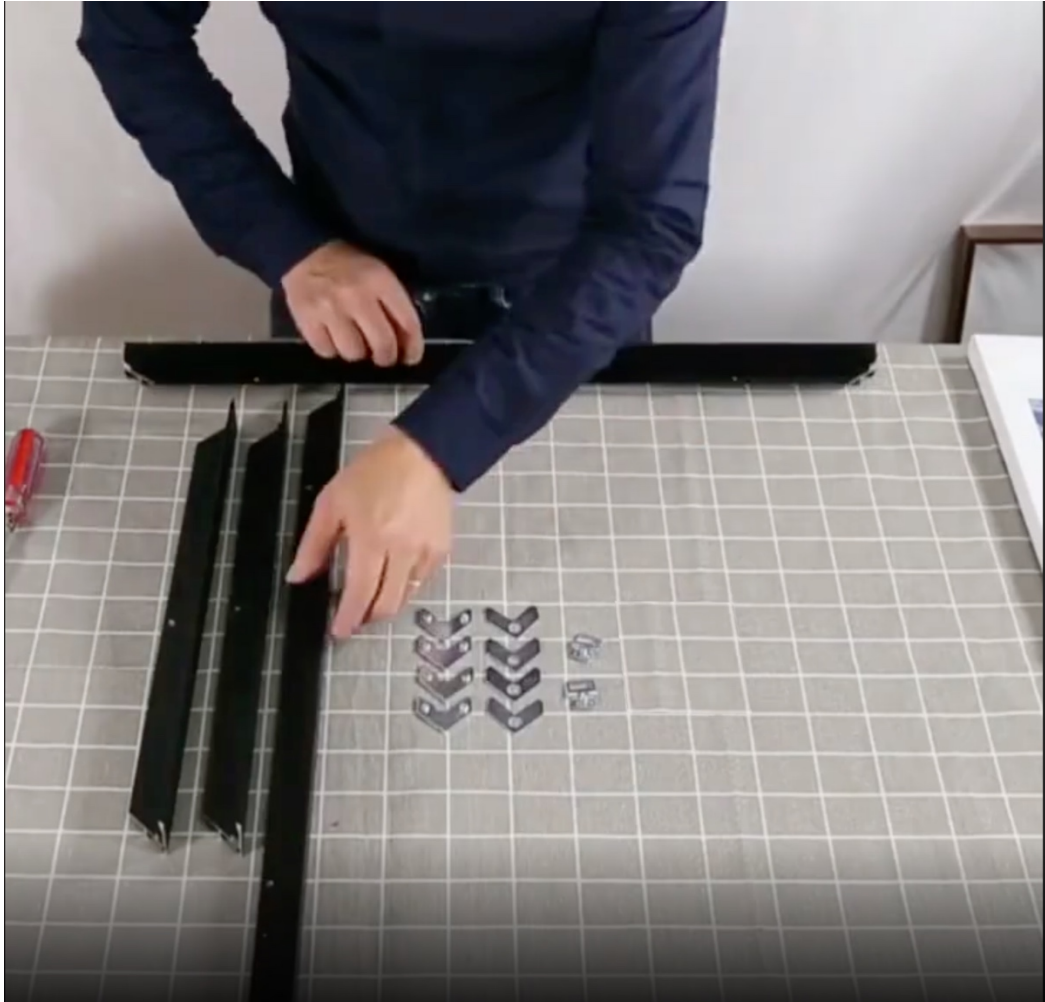

CODE A

HOOKS

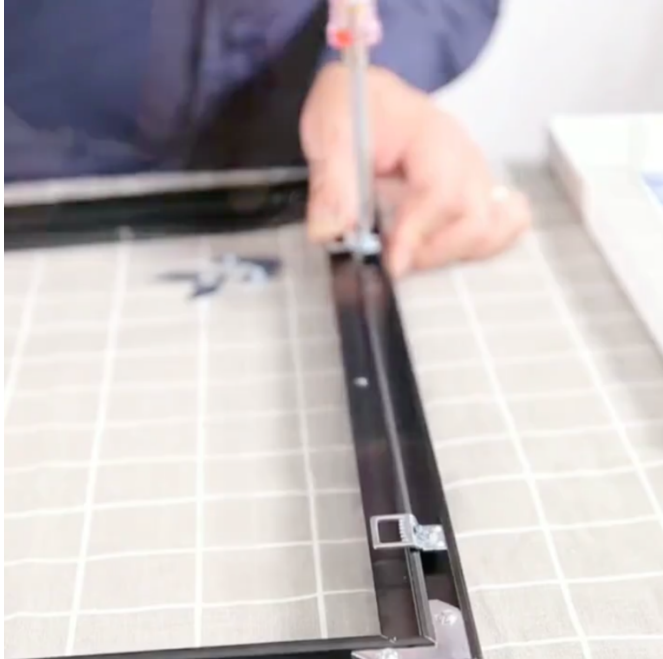

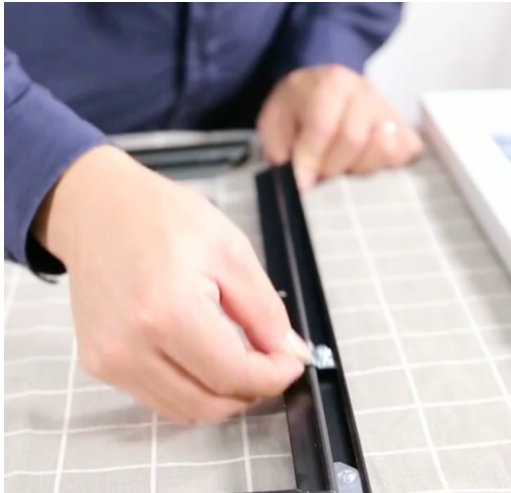

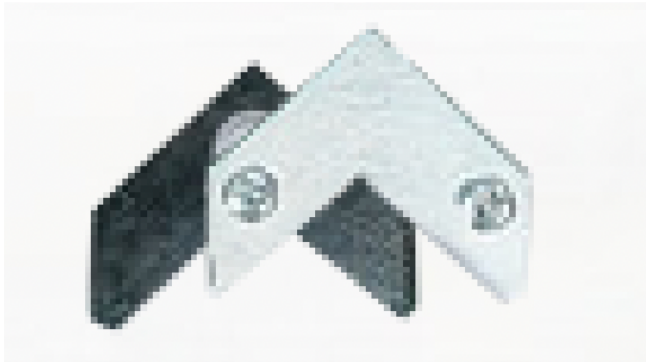

SHRAPNELS

NOTE: YOU'LL ALSO NEED A SCREW-DRIVER TO ASSEMBLE THIS.

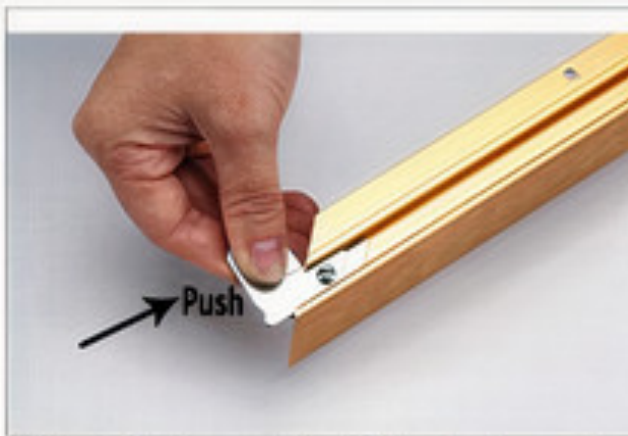

- DECIDE WHICH SIDE YOU WILL HANG YOUR ARTWORK. PLEASE TAKE THE TWO HOOKS AND SLIDE THEM IN. SCREW FIRMLY. THIS IS WHERE YOU WILL HANG YOUR ARTWORK FROM.

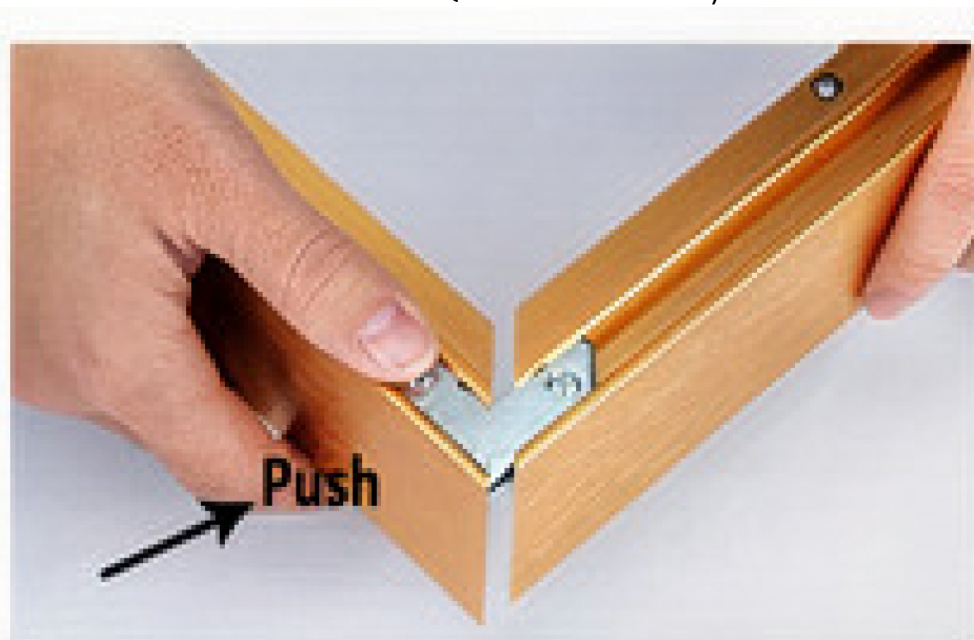

PLACE CODE B UNDER CODE A & SLIP INTO THE SLOT BEHIND THE ALUMINUM FRAME

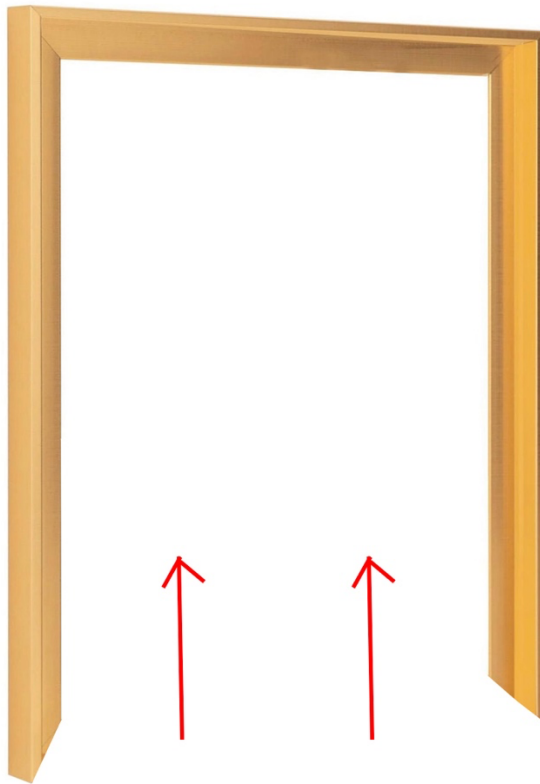

FIRST WORK ON THE LARGER FRAME PIECES & THEN THE SMALLER PIECES (UNLESS YOU ORDERED A SQUARE SIZED FRAME)

YOU'RE ALMOST THERE.

LINK LONG & SHORT FRAME PIECES TOGETHER (but only three pieces)

SLIDE THE CANVAS INTO THE FRAME

ADD THE FOURTH PIECE OF THE FRAME & SCREW IN THE CORNERS ON ALL FOUR SIDES FIRMLY

YOU'RE ALMOST DONE.

IF YOUR CANVAS IS MOVING AROUND IN THE FRAME, YOU CAN USE THE SHRAPNELS TO SECURE THEM. SIMPLY PLACE THE SHRAPNELS BEHIND THE CANVAS (ALWAYS BEHIND NEVER IN FRONT OF THE CANVAS AS YOU MAY DAMAGE THE CANVAS). SO THE SHRAPNEL IS PLACED BETWEEN THE CANVAS AND FRAME. YOU CAN USE TWO SHRAPNELS ON EACH SIDE. YOU CAN PLACE THE SHRAPNELS ANY SIDE UP BEHIND THE CANVAS.

***EXPERT TIP: IF THE SHRAPNELS ARE NOT EFFECTIVE, FEEL FREE TO CUT SOME CARD-BOARD, OR A STACK OF BUSINESS CARDS, AND PLACE THEM BEHIND THE CANVAS (BETWEEN THE CANVAS AND THE FRAME) TO SECURE THE CANVAS.

YOU'RE DONE! ENJOY YOUR ARTWORK. REACH OUT IF YOU RUN INTO ANY CHALLENGES. WE ARE HERE TO HELP.
